DECLARATION OF DAVID R. METZGER

Mail Stop Petition  
Office of Patent Legal Administration  
Commissioner for Patents  
P. O. Box 1450  
Alexandria, VA 22313-1450

SIR:

I, David R. Metzger, hereby declare as follows:

I am over the age of 18 years and have been the practitioner responsible for US Application 09/486,865 since the file's transfer from former counsel Limbach & Limbach on January 26, 2001.

Prior to 2004, the Intellectual Property and Technology Docket Department (IPT Docket) of Sonnenschein Nath & Rosenthal LLP (SNR) employed different ways to notify practitioners as to upcoming due dates.

During May to July, 2003, IPT Docket sent out via e-mail, mostly on a daily basis, due date lists output from a reporting function in the docketing system. These reports were individualized for the recipient practitioner, as opposed to firm-wide comprehensive due date lists.

As a matter of ordinary and customary business practice I retained and retain copies of e-mails and attachments received by me relating to business matters. I was able to locate copies of e-mails sent to me advising as to responses due on May 3, June 3, July 3, 2003 for matters within my responsibility.

Attached hereto as Exhibit G are copies of the due date print out including due dates for May 3, 2003 and the cover e-mail, for matters falling with my responsibility. There is no entry for anything due for US Application 09/486,865.

Attached hereto as Exhibit H are copies of the due date list including due dates for June 3, 2003 and the cover e-mail, for matters falling with my responsibility. There is no entry for anything due for US Application 09/486,865.

Attached hereto as Exhibit I are copies of the due date list including due dates for July 3, 2003 and the cover e-mail, for matters falling with my responsibility. There is no entry for anything due for US Application 09/486,865.

If there had been an entry for US Application 09/486,865 in any of these docket records, that would indicate prior receipt of a communication for which a response was due

Because there was no indication of anything due for US Application 09/486,865 in any of these reports, this is a clear indication on practitioner's docket record that the office action was never received by practitioner's firm for any communication dated April 3, 2003

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code; and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

The image shows a handwritten signature in black ink. The signature is fluid and cursive, appearing to read "David R. Metzger". Below the signature, the name "David R. Metzger" is printed in a smaller, more formal font.
